

Till next year...

It's that bittersweet time of year again when we have to say goodbye to our magical little world that gets created by our beloved Beach Bash family.

We are in awe of the beauty, fun, love and laughter that surrounds us the week of Beach Bash and know that it's conjured up by the creative geniuses that we have on our incredible Ambassador Team.

For those of you who fell in love with the energy and spirit of 🌈 Bubbles Beach Bash 🌈 these are the wonderful people that we give all our love, respect and boundless gratitude to...

All of you dancers!! - we love all of you who dive headfirst into the Beach Bash crazy and who danced and competed with joy in your hearts and with true love of dance and respect for all your fellow competitors. The energy in the ballroom was amazing all day, every day, and we thank you for the energy and beauty that you brought to the Bash!
